## Deck Plans

## RYAN HAVER

### Captain

Ryan hails from Washington State, and spent much of his youth in the Florida Keys. A life-long seafarer, he began yachting at the age of seven with his family onboard their custom built 40' sailboat. His family cruised throughout the Caribbean over a period of two years. Ryan achieved his yacht captain's license at the age of twenty and has crewed both sail and motor yachts ever since. His passion for adventure has led him to travel the world and complete a Pacific passage via sailing yacht. Ryan is an accomplished certified dive instructor and small aircraft enthusiast.

## LUKE MCCULLOUGH

### 1st Mate

Luke hails from Barrow-in-Furness, on the northwest coast of England. After serving in the British Armed Forces, Luke began his yachting career seven years ago, and has maintained the position of first mate on yachts cruising the Mediterranean, Middle East, the US and throughout the Caribbean. He has a passion for mechanics, from boats and cars to motorbikes, and is an experienced watersports mentor. He also serves as the safety officer onboard M<sup>4</sup>.

## NEIL BLAYLOCK

### Engineer

Neil hails from Mashava, Zimbabwe. Before embarking on a career at sea he ran his own farm in the wilderness of Mozambique, a place where he plans to eventually return to. Neil loves the wild, and hunting professionally. He is an active member of various conservation and anti-poaching groups in Africa. He joined the yachting industry nine years ago, and has cruised throughout Europe and the Caribbean. He is a keen fisherman/spear-fisherman, a PADI certified diver and an avid water sports enthusiast. Neil's sense of humor and vast experience at sea is sure to make your trip one to remember.

## MIRANDA HURST

### Chief Stewardess

Miranda is originally from London, England; however, she spent her childhood from the age of four in the South of France. She was graduated from the University of Sussex, England, with a degree in International Studies and Spanish. Afterward she discovered the sunshine in the Florida Keys, where she also discovered her passion for the ocean, its wildlife and all water related activities. Miranda is a certified PADI diver; she is fluent in English, French, Spanish and she is proficient in German. She has traveled throughout Europe, the US, the Caribbean and Asia. Miranda loves discovering new destinations, meeting new people, and strives to achieve the highest standard of comfort and service for all guests onboard M<sup>4</sup>.

## NATE REINHART

### Chef

Nate hails from Nova Scotia, Canada. He has always had a passion for the ocean and boating. After many years of apprenticing with some of Canada's top chefs, Nate began his career in yachting 6 years ago. He has developed an excellent skill at preparing delicious culinary delights at sea, even fresh baked baguettes! Nate's passion is cooking and travel, among his other interests, diving, literature, music and film.

## ANDREW PERKS

### Deckhand

Andrew hails from Port Elizabeth, South Africa. He was graduated, from the Nelson Mandela Metropolitan University, with a degree in Sports Science. He is a sports enthusiast especially Rugby, amongst many other sports. His interest in working and traveling abroad led him to a career at sea. He began his career on the world's largest cruise ship, the Oasis of the Seas, in the Caribbean, assisting in their sports division. Andrew is accomplished at all watersports; wakeboarding, waterskiing and jet skis. He enjoys sharing his passion by coaching students and guests, guaranteeing them a safe and unforgettable experience.

## MICAH TIBURCIO

### 2nd Stewardess

Micah hails from the Philippines; however, she grew up in Genoa, Italy from the age of eleven. With her well-traveled and multilingual background, she was well suited to pursue a career in yachting. She has been on yachts for three years, and enjoys cooking, music, fashion and design. With Micah's energetic and bubbly personality she is the cornerstone for our guests comfort onboard M<sup>4</sup>.
